Pacific Rubber & Packing, Inc. Announces ISO 9001:2015 Certification

Pacific Rubber & Packing, Inc.'s effort pays off after earning their ISO 9001:2015 certification for their San Carlos, CA facility through DQS Inc. in July of 2018.

August 2018 - Pacific Rubber & Packing, Inc., obtained ISO 9001:2015 certification from DQS Inc. on July 14, 2018.

General Manager and VP of Operations, John Farcich, "We are proud of our commitment to quality. Today's news of our ISO 9001:2015 certification is recognition of the tremendous efforts of the Pacific Rubber team. ISO 9001:2015 certification assures our customers that Pacific Rubber is delivering the highest in quality and reliability. Pacific Rubber's performance over the past 40 years has established that we consistently provide quality products and this latest accomplishment verifies that the entire organization is finely tuned to serve our customers long into the future."

ISO 9001:2015 quality management system standards are designed to help organizations ensure they meet the needs of customers and stakeholders while meeting statutory and regulatory requirements related to a product or service. ISO 9001 deals with the fundamentals of quality management systems, including the seven quality management principles.
